

NOVI ŽIVOT

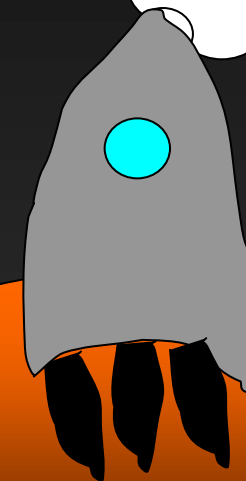

Pali motore!!! Apollo 17 kreće za 3,2,1!!

Polijećemo!!!

Eno Marsa,
idemo
tamo!

Sletjeli smo!!
Idemo vidjeti
da li ovdje ima
života...

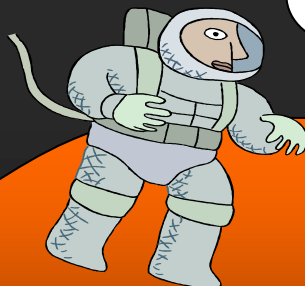

A ne mrtav
sam, vidiš da
letim!

Hej
Marsovcu
ti si živ??

Ne vjerujem, otkrio
sam život na Marsu.
Sada se moram
vratiti na Zemlju...

Eno
Zemlje!!!
